

Special Opportunities

Take advantage of these special opportunities to reach the nearly 11,000 agronomy, crop, and soil scientists and professionals that are members of ASA-CSSA-SSSA.

Career Placement

www.careerplacement.org

Looking for the best and brightest agronomic, crop, and soil scientists? Then our Career Placement Center is for you. Employers may search the resume database, place an online listing, and appear in *CSA News* Job Listings section.

Deadlines

Online listings are updated daily. Listings received by the end of the business day will be posted within three business days. *CSA News* listings and display advertisements are due the first of the month preceding publication (ex: March 1 for April's issue).

Corporate Sponsorships

A variety of corporate sponsorships—including unique, high-profile messaging, marketing, and branding opportunities—are available.

If you would like to participate, please contact our Director of Business Development, Alexander Barton at 608-268-4947 or abarton@sciencesocieties.org.

Corporate Membership

Show your support for the agronomy, crop, soil, and environmental sciences by becoming an ASA, CSSA, and SSSA Corporate Member. The corporate membership levels have been designed to provide your company with opportunities to interact with the Societies in ways that best fit your needs. All levels provide access to journal, meetings, membership and recognition benefits. And, a corporate membership supports the missions of the Societies and the development of students in our professions. Visit:

www.agronomy.org/membership

www.crops.org/membership

www.soils.org/membership

to learn more and download an application, or contact Susan Chapman at 608-268-4951 or schapman@sciencesocieties.org

Custom Promotions

Looking for creative ways to reach thousands of agronomic, crop and soil science professionals? We have proven ideas to share—custom inserts, polybagging and wraps for publications, postcards, and more. Please contact Director of Business Development Alexander Barton at 608-273-8095 or abarton@sciencesocieties.org for pricing, details, and ideas!
